# Two Times Twice As Much

Ron Brown  
**Kinderworld**

Let's all stand in a circle clap your hands.  
Let's all stand in a circle with our friends.  
Tap your toe on the floor. Then clap some more.  
And wave to your neighbors your good friends.

Stick your head in the circle with your friends.  
Stick your knee in the circle with your friends.  
Stick your elbow in. Stick your elbow out.  
And wave to your neighbors your good friends.

Stick your wrist in the circle with your friends.  
Stick your chin in the circle with your friends.  
Stick your fingers in. Stick your fingers out.  
Then wave to your neighbors your good friends.

Stick your foot in the circle with your friends.  
Stick your ear in the circle with your friends.  
Stick your whole body in.  
Stick your whole body out.  
Then wave to your neighbors your good friends.

# Rowing Song

Ron Brown  
**Kinderworld**

We're sailing on the ocean blue,  
My good friend and me.  
We're having such a wonderful time,  
Out here on the sea.

We'll row and row and row and row,  
Fast or slow.  
And when a big wave comes,  
The faster we will go.

We're sailing on the ocean blue,  
My good friend and me.  
We're having such a wonderful time,  
Out here on the sea.

We'll row and row and row and row,  
Fast or slow.  
And when a small wave comes,  
The slower we will go.

We're sailing on the ocean blue,  
My good friend and me.  
We're having such a wonderful time.  
Out here on the sea.

We'll row and row and row and row,  
Fast or slow.  
And when a big wave comes,  
The faster we will go.

I can wave my hands up high  
And sit right down and say good-bye.

Snap your fingers if you're feeling this way.
