

# Torn Snowpeople

We are going to tear four snowpeople who each have their own personality and unique look! Personalize each snowperson with eyes, mouth, nose and button!

## Sally

The tiniest of the snowpeople is Sally. To tear Sally, you will need:

- ❄️ 1", 2", 3" white construction paper squares
- ❄️ 2" blue construction paper square for a hat

## Jolly

Jolly looks like a typical snowperson. Tear her by using:

- ❄️ 2", 3", 4" white construction paper squares
- ❄️ 2" purple construction paper square for a hat

## Herbert

Herbert is a tall thin snowperson. Tear him by using:

- ❄️ 1" x 2" white construction paper rectangle
- ❄️ 1" x 3" white construction paper rectangle
- ❄️ 1" x 4" white construction paper rectangle
- ❄️ 2" red construction paper square

## Froggy

Tear Froggy with only two snowballs. To tear Froggy, you will need:

- ❄️ 2" white construction paper square
- ❄️ 4" white construction paper square

## Clue Set 1

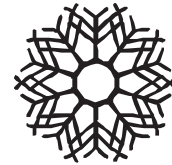

- a. The snowperson with the purple hat is last.
- b. The smallest snowperson is first.
- c. The tallest of all the torn snowpeople is after the snowperson with the blue hat.

## Clue Set 3

Sally, Herbert, Jolly and Froggy are standing in line to talk to Santa about what is on their wish lists. The items on their list are a teddy bear, a basketball, a football and a book. The teddy bear is under stand one. The basketball is under stand two, the football is under stand three. The book is under stand 4.

- a. Froggy does not like sports but loves to read.
- b. Sally needs her gift to practice kicking for her team.
- c. Herbert scored 32 points last weekend.

## Clue Set 4

The snowpeople are comparing their allowances.

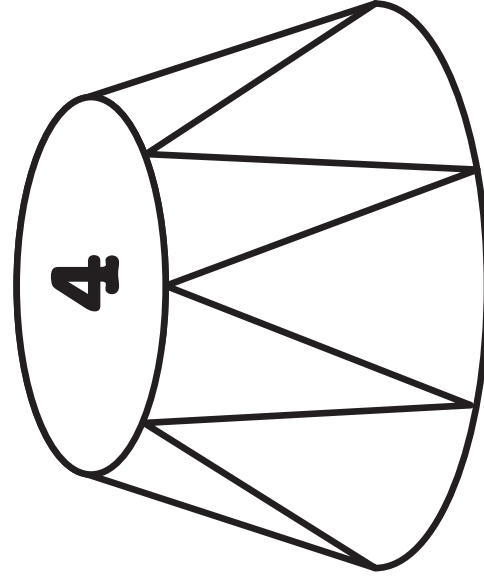

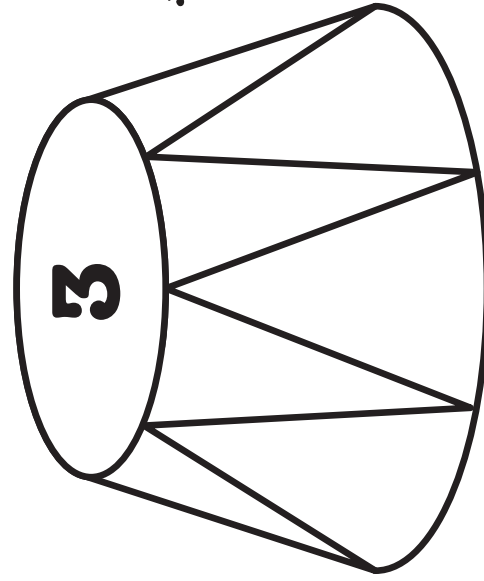

- a. Sally gets a bigger allowance than Froggy and Herbert.
- b. Jolly works hard singing to all the children. He gets the biggest allowance.
- c. Froggy is asking for a raise in his allowance because he has the smallest allowance of the four snowpeople.
