Positions

Ron Brown

The Learning Ride (K-1 Standards, Skills & Concepts)

Over, under, above or below,
Front, back, beside, between,
Just think and you will know.

Wave your hands up over your head.
Put your fingers under your chin.
Look above, up to the sky.
Touch the ground below your toes.

Over, under, above or below,
Front, back, beside, between,
Just think and you will know.

Wave your hands in front of your face.
Put your fingers in back of your head.
Put your arms straight down beside your sides.
Point to the place between your eyes.

Over, under, above or below,
Front, back, beside, between,
Just think and you will know.

Adding 1 More

Ron Brown

The Learning Ride (K-1 Standards, Skills & Concepts)

What do you have
When you add 1 more?
Just 1 more.
Just 1 more.

What do you have
When you add 1 more?
1 more comes along.

1 little pig in the mud.
1 more pig comes along.
How many pigs are in the mud?
Oink, oink that makes 2.

What do you have
When you add 1 more?
1 more comes along.

2 little pigs in the mud.
1 more pig comes along.
How many pigs are in the mud?
Oink, oink, oink that makes 3.

What do you have
When you add 1 more?
1 more comes along.

3 little pigs in the mud.
1 more pig comes along.
How many pigs are in the mud?
Oink, oink, oink, oink, 4.

What do you have
When you add 1 more?
1 more comes along.

4 little pigs in the mud.
1 more pig comes along.
How many pigs are in the mud?
Oink, oink, oink, oink, oink, 5.

What do you have
When you add 1 more?
1 more comes along.

Count Your Money

(Penny, Nickel, Dime)

Ron Brown

The Learning Ride (K-1 Standards, Skills & Concepts)

Can you count your money?
Can you count with me?
Can you count your money?
Come on and count with me.

1 cent is a penny.
A nickel is 5 cents.
A dime is 10 pennies.
Count your money before it's spent!

Can you count your money?
Can you count with me?
Can you count your money?
Come on and count with me.

1 cent is a penny.
A nickel is 5 cents.
A dime is 10 pennies.
Count your money before it's spent!

Can you count?
Can you count?
Can you count your money?

Can you count?
Can you count your money?

Times of the Day

(Morning, Afternoon, Evening)

Ron Brown

The Learning Ride (K-1 Standards, Skills & Concepts)

Oh, the times, times,
Times of the day.
Oh, the times, times,
Times of the day.

When I wake up,
It's morning.
That's when the sleepy heads,
Roll out of bed.

After lunch,
It's the afternoon
When I work and play,
In the middle of the day.

Sun goes down,
It's evening.
And this sleepy head,
Hops into bed.

(snore – ZZZZZZZZZZ)

(snore – ZZZZZZZZZZ)

These are the times of the day!

Yesterday, Today, Tomorrow

Ron Brown

The Learning Ride (K-1 Standards, Skills & Concepts)

Yesterday is the day before today,
Day before today,
It already happened.

Yesterday is the day before today,
I know all about it.
It already happened.

Today is today.
It's what's going on.
It's what's going on.
It's just what's happening.

Today is today.
It's what's going on.
It's what's going on.
From morning till night.

Tomorrow is the day after today,
After today,
I wonder what will happen.

Tomorrow is the day after today,
After today,
I can't wait till tomorrow.

Yesterday! Today! Tomorrow!

Clock Rock

(Time to the Hour)

Ron Brown

The Learning Ride (K-1 Standards, Skills & Concepts)

When the long hand points to the 12,
A new hour has begun.
60 minutes gone by.

We're gonna do the clock rock.
Come on everyone.

Let the short hand tell you the hour.
Let's go!

1 o'clock, 2 o'clock,

Circle, Square, Triangle, Rectangle

Ron Brown

The Learning Ride (K-1 Standards, Skills & Concepts)

All of the circles go
Round and round,
Round and round,
Round and round.
All of the circles go
Round and round,
Like a ring, round and round.

All of the squares have 4 sides,
4 same sides,
4 corners.
All of the squares have 4 sides,
4 sides all the same.

All triangles have 3 sides,
3 sides 3 corners,
Just 3 sides.
All triangles have 3 sides,
3 corners and 3 sides.

All rectangles have 4 sides,
2 sides short and 2 sides long.

You have found a sphere.

On the bottom I'm flat.

Ron Brown

The Learning Ride (K-1 Standards, Skills & Concepts)

Oh, I went to the store
And what did I see?
A can of soup
And a can of peas
A big can of coffee
And a can of pork and beans

Everywhere I looked
There were cylinders.

Flat on the bottom
Flat on the top
They can roll and roll and roll

When you stand them up,
They will stop.
Cylinders, cylinders, cylinders.

I'm a Good Listener

(Movement)

Ron Brown

The Learning Ride (K-1 Standards, Skills & Concepts)

I'm a good listener.
I'm a good listener.
Listening to what you say.

I'm a good listener.
I'm a good listener.
Let's play a listening game!

Shake your hands in the air,
And turn once around.
Wiggle your hips.
Are you listening now?

March, march, march,
Right in place.
Stand up tall,
With a smile on your face.

I'm a good listener.
I'm a good listener.
Let's play a listening game!

Clap your hands 3 times.
Clap – Clap – Clap
All good listeners
Do just fine.

Can you hop, hop, hop,
All over the place?
Then jump up high,
With a silly face.

I'm a good listener.
I'm a good listener.
Let's play a listening game!

Tap your toe on the floor,
And blink your eyes.
Raise your arms
And reach for the sky.

Shake hands with a friend.
Won't you give it a try?
And sit right down.
And wave good-bye.

I'm a good listener.
I'm a good listener.
I played the listening game.

Put A Song In Your Heart

Ron Brown

The Learning Ride (K-1 Standards, Skills & Concepts)

Put a song in your heart.
Put a song in your heart.
And a smile on your face.
And a smile on your face.
You can go anywhere.
You can go anywhere.
You can go any place.
You can go any place.

Every day filled with sunshine.
Even when the skies turn gray.
Every day filled with fun
times.
Even if the clouds bring rain.

Put a song in your heart.
Put a song in your heart.
And a smile on your face.
And a smile on your face.
You can go anywhere.
You can go anywhere.
You can go any place.
You can go any place.

Every day full of laughter.
A smile can let the sunshine
in.

Every day ever after
Put a song in your heart
And you'll always win.

So put a song in your heart.
Put a song in your heart.
And a smile on your face.
And a smile on your face.
And you'll make the world a
better place.
