Jump for Numbers (0-5)

Ron Brown
Ready! Set! Math!

Let's jump for numbers!
When you hear a number,
Jump up high.

If you hear a letter,
Stay real still.

Are you ready?
Here we go!

3 2 S 1 B 4

A 5 G Z 2 3

1 M C 4 5 D 2

You did it!

Days of the Week

Ron Brown
Ready! Set! Math!

The days of the week
The days of the week
The 7 days of the week.

Sunday, Monday,
Tuesday, Wednesday,
Thursday, Friday, Saturday,
The days of the week!

7 days of the week
7 days of the week

One more time!

Sunday, Monday,
Tuesday, Wednesday,
Thursday, Friday, Saturday,
The days of the week!

Jump for Numbers (0-10)

Ron Brown
Ready! Set! Math!

Let's jump for numbers!
When you hear a number,
Jump up high.

When you hear a letter,
Stay real still.

Here we go!

1 4 B 7 K 5

3 8 10 S T 6

2 9 W G 4 8

We jumped for numbers!
Yea!

Show me 10

Ron Brown
Ready! Set! Math!

Can you show me 1?
Can you show me 2?
Can you show me 3?
Can you show me 4?
Can you show me 5?

Now show me 6.

7

No show me 8.

9

Now use all your fingers
and show me 10.
(repeat)

Can you show me 10?

Counting to 10

Ron Brown
Ready! Set! Math!

I know my numbers up to 10.
I know my numbers up to 10.

1	2	3
4	5	6
7	8	
9	10	

1	2	3
4	5	6
7	8	
9	10	

I know my numbers up to 10.

1 2 3 4 5 6 7 8 9 10

Yea!

1 2 How Are You?

Ron Brown
Ready! Set! Math!

1	2	How Are You?
3	4	Close the door.
5	6	The old clock ticks.
7	8	Don't be late.
8	10	Let's do it again!

1	2	How Are You?
3	4	Close the door.
5	6	The old clock ticks.
7	8	Don't be late.
8	10	Let's do it again!

How Much is Two?

Ron Brown
Ready! Set! Math!

How much, how much is the
number two?

2 fingers up, that makes two.
2 eyes that look right back at you,
2 ears that hear what we do,

2 feet, 2 arms, 2 legs that run,
2 hands that wave to everyone.

How much, how much is the
number two?

How much is the number 2?
How much is the number two?

Count to Five

Ron Brown
Ready! Set! Math!

Can you count your numbers
up to five?
It's really fun to count to five.
Can you count your numbers
up to five?
It's really fun to count to five.

1 2 3 4 5

It's really fun to count to five.

1 2 3 4 5

1 2 3 4 5

Money! Money!

Ron Brown
Ready! Set! Math!

Money, money, money, money, money!
Money, money, money, money!
Money, money, money, money, money!
Money, money, money, money!

I have a shiny new penny, penny.
It's one cent, 1¢.
I have a shiny new penny, penny.
It's one cent, 1¢.

Money, money, money, money, money!
Money, money, money, money!
Money, money, money, money, money!
Money, money, money, money!

I have a shiny new nickel, nickel.
It's five cents, 5¢.
I have a shiny new nickel, nickel.
It's five cents, 5¢.

Money, money, money, money, money!
Money, money, money, money!

My Abacus

Ron Brown
Ready! Set! Math!

My abacus
My abacus

Is my good math friend
Is my good math friend

It can help me count.
It can help me count.

To the very end
To the very end

I can make designs and
shapes,
And Count my numbers
All day long.

With my abacus,
My abacus,
It's my math friend

Animal Groups

Ron Brown
Ready! Set! Math!

All the animals are
walking in their groups.
All the animals are
walking in their groups.
How many animals will you hear?
How many animals
in each group?

Here comes a group of ducks.
How many will you hear?
“Quack! quack! quack!”
How many in the group?
Three! 3

Here comes a group of dogs.
How many will you hear?
“Bark! bark! bark! bark!”
How many in the group?
Four! 4

Here comes a group of cows.
How many will you hear?
“Moo! moo!”
How many in the group?
Two! 2

Here comes a group of horses.
How many will you hear?
“Whinny! whinny! whinny!
whinny! whinny!”
How many in the group?
Five! 5

Here comes an elephant group.
How many will you hear?
“Elephant trumpet!”
How many in the group?
One! 1

There are too many groups around here!

I Spy Attributes

Ron Brown
Ready! Set! Math!

I spy, I spy with my little eye,
Colors, shapes and sizes.

Colors, shapes and sizes

I spy, I spy with my little eye,
Two things the same color.
I spy, I spy with my little eye,
Two things colored just the same.

I spy, I spy with my little eye,
Two things shaped the same.
I spy, I spy with my little eye,
Two things with the same shape.

I spy, I spy with my little eye,
Two things just the same size.
I spy, I spy with my little eye,
Two things just the same size.

I spy, I spy with my little eye,
Colors, shapes and sizes.
Good Job!

Three Little Monkeys

Ron Brown
Ready! Set! Math!

1 little monkey was
tying his shoe,
Along came his brother
and now there are 2.

2 little monkeys,
high up in a tree,
Along came their sister
and now there are 3.

3 little monkeys having lots of fun,
Playing in the tree
Until the day was done.

Along came their mother
wondering,
“Where could they be?”
“We’re up here!”
said 3 monkeys in the tree.

Monkeys go home!

Three Baby Birds

Ron Brown
Ready! Set! Math!

Three(3) baby birds chirping
High up in a tree
Chirp! chirp! chirp! chirp! chirp!
Then mother bird said,
“Come fly with me.”
Chirp! chirp! chirp! chirp! chirp!

“Hey, wait for me,”
One bird left the nest.
Now only two (2) baby birds
Were left.

Two baby birds chirping
High up in a tree
Chirp! chirp! chirp! chirp! chirp!
Then mother bird said,
“Come fly with me.”
Chirp! chirp! chirp! chirp! chirp!

“Hey, wait for me,”
One bird left the nest.
Now only one (1) baby bird
Was left.

One baby birds chirping
High up in a tree
Chirp! chirp! chirp! chirp! chirp!
Then mother bird said,
“Come fly with me.”
Chirp! chirp! chirp! chirp! chirp!

“Hey, wait for me,”
One bird left the nest.
Now zero (0) baby birds
Were left.
Chirp! chirp! chirp! chirp! chirp!

Bye, bye!
Bye!
Bye, bye!

Square March

Ron Brown
Ready! Set! Math!

Ok everybody!
It's time to march for squares!
Are you ready? Let's march!

Square, square, square, square!
Square, square, square, square!
Square, square, square, square!
Square, square, square!

Four sides, four sides,
Four sides all the same.
It's a square! It's a square!
Four sides all the same.

A soda cracker, a checkerboard,
Four sides all the same.
It's a square! It's a square!
Four sides all the same.

March! March! That's a square!
March! March! That's a square!
March! March! That's a square!

Good marching!
That's all!

Triangle

Ron Brown
Ready! Set! Math!

I love to play my triangle.
It has three sides.
It has three sides.

Like a pirate's hat,
A slice of pie,
Or a sail on a boat that's floating by.

I love to play my triangle.
It has three sides.
It has three sides.

Just like a slice of pizza!

Yum! Triangles!

Circle

Ron Brown

Ready! Set! Math!

I know a shape that goes
Round and round,
Round and round,
Round and round.

I know a shape that goes
Round and round,
Round, It's a circle!

I know a shape that goes
Round and round,
Round and round,
Round and round.

I know a shape that goes
Round and round,
Round, It's a circle!

Round, Like a tire!

Months of the Year

Ron Brown
Ready! Set! Math!

Months of the year!
Twelve months of the year!

January, February,
March, April, May, June,
July, August and September,
October, November, December.

Twelve months in a year!
Twelve months in a year!

Morning, Afternoon, Evening

Ron Brown
Ready! Set! Math!

Morning, afternoon, evening every day!

When you wake up it's morning,
Time to start the day.
It's breakfast time, it's morning,
It's time to start the day!
The sun is coming up.
It's morning!

Then it's lunchtime.
It's afternoon, the middle of the day.
It's afternoon, it's afternoon,
When I go out and play.
The sun is high up in the sky.
It's afternoon!

Then it's dinnertime, it's evening,
The end of the day.
It's evening, it's evening.
The sun has gone away.
When I am in my bed at night,
It's evening!

Morning, afternoon, evening every day!

Yesterday, Today, Tomorrow

Ron Brown
Ready! Set! Math!

Yesterday, the day before today
It already happened, yesterday.

Yesterday, the day before today
It already happened, yesterday.

Today is today.
It's what's going on,
It's what's going on right here today.

Tomorrow is the day after today.
I wonder what will happen the next day?

Tomorrow is the day after today.
I wonder what will happen the next day?

Yesterday!
Today!
Tomorrow!

That's all folks!
